Erin,

The only conference we have in NW Region that would be big enough is A/B..., the conference off the hall that you've been to before for Milestone/MOU mtgs. It's open right now..., except over the lunch hour (yoga session from 12-1:00). Let me know if you want me to reserve it. How many hrs & what time of day do you need it?

The Trustees will be holding a meeting with PRPs on Feb. 16 and we are looking for a room that will hold at least 60 people. I am wondering whether DEQ or EPA has such a room available or whether we could schedule a room at the federal building (and if so, how). Please let me know.
